

Vacancy

Youth & Community Engagement Officer

Location - Whyalla

About us

headspace is the National Youth Mental Health Foundation providing early intervention mental health services to 12-25 year olds, along with assistance in promoting young peoples' wellbeing. This covers four core areas: mental health, physical health, work and study support and alcohol and other drug services.

The Role

We offer this exciting opportunity to join our team in Whyalla, on a full-time basis.

- The headspace Youth & Community Engagement Officer will be responsible for building relationships with young people and facilitating youth engagement activities.
- This role will work closely with Clinicians and will link young people with community supports to advocate for young people.
- The Youth & Community Engagement Officer will liaise with existing youth reference committees in the community and develop structures for youth consultation into headspace Whyalla.
- The headspace Youth & Community Engagement Officer will contribute to the principles of equal opportunity, fairness, honesty, respect, occupational health, safety and welfare being fostered in the workplace.

- **What's In It For You?**

This is a rewarding community-based role, where you will hold a pivotal position within a tight knit, passionate, diverse and professional team, dedicated to improving the lives of Australian youth.

For your hard work and dedication, you will be rewarded with an attractive salary, with access to Salary Packaging and Novated Leasing.

- **Qualifications**

Tertiary qualifications in Youth Work/ Social Work or related field
Experience in working in youth services/ community services for at least 3 years

To apply for this role, email current CV and a cover letter to: hr@cobh.org.au

Aboriginal and Torres Strait Islander people are strongly encouraged to apply.

For further information on this role please contact Rachel Faulkner, Assistant Manager Youth Programs on 0439 877 037.

Applications close 11th of December 2017.
